

ECHO QUARTERLY: SPRING 2018 PARTNER GUIDE

This document serves to inform partners with quarterly series details in efforts to increase awareness and leverage opportunities around upcoming ECHO series.

The goals of this document are:

- To communicate in a timely and efficient way with our partners around upcoming series.
- Create a space to share series-specific needs and an opportunity to discuss opportunities to leverage and maximize partner networks.
- Provide support and suggestions for partner engagement within their relevant communities to support series marketing efforts.

***THIS COMMUNICATION IS FOR INTERNAL USE ONLY CREATED
EXCLUSIVELY FOR PARTNERS OF ECHO COLORADO**
