

Southwest CO Healthcare Partners Alliance

Our Vision and Goals

Bring together health community stakeholders from Region 9 to promote and improve the health of our communities across the region. We collaborate across disciplines as a *single table with multiple projects* to seize opportunities, solve problems, assure success of the healthcare sector, and celebrate accomplishments across the region.

Potential joint projects:

- Improve educational connections and develop innovative solutions to workforce challenges (such as the medical assistant apprenticeship program)
- Development of a speakers' bureau for regional trainings such as: Naloxone trainings; PDMP trainings; Safe Prescribing Practices; others
- Development of a regional opioid prescription procedure;
- Collect and analyze population data about regional and local health outcomes for planning or realigning programs to address gaps in service.
- Share resources to periodically conduct community health needs assessments and maintain inventory of assets and gaps for the region.

The population of Health Service Region (HSR) 9 is 112,625. By working together, we can make a greater impact on the health of the region. Southwestern Colorado AHEC is a 501c3 nonprofit organization and as a program of AHEC, all membership donations to the Partners Alliance are tax deductible.

By becoming a sponsor of AHEC, and a member of the SW CO Healthcare Partners Alliance (SPA), you will gain:

- A strong voice in addressing challenges and shaping the approaches to the success of the healthcare industry in SW Colorado
- An opportunity to build and reinforce strategic relationships in a neutral environment
- Networking time with key decision-makers and colleagues
- Increased visibility, brand awareness and marketing opportunities, including your logo on AHEC's SPA website
- Opportunities to learn about evidence-based best practices and supports for issues impacting our region
